

B-IMMUNE

Naturally Flavored, Orange Cream
IMMUNITY-BOOSTING DRINK

Naturally boost your immunity! B-IMMUNE is a mouth-watering, naturally flavored, orange cream immune support drink that helps strengthen and maintain a healthy immune system – making you less prone to getting sick and helping ease symptoms when you do.

B-IMMUNE contains a potent blend of immune-boosting vitamins, minerals, herbal extracts, and medicinal mushrooms. These important immune system-strengthening nutrients have been shown to improve immune function and resistance to sickness. Boosting the body's natural immune response helps reduce symptoms of infections and other illnesses, including the flu and common cold.

Our flavorful supplement drink is loaded with potent antioxidants and essential micronutrients with powerful immune-enhancing properties. B-IMMUNE provides a mega dose of Vitamin C (over 2,700% of the recommended daily dose) – one of the biggest immune system boosters of all. Plus, it contains Immunel™ (colostrum peptides), which is clinically proven to induce rapid changes in immune function within 30 minutes to 2 hours. It also contains Vitamin B12, Vitamin D, Vitamin E, Zinc, Selenium, Reishi Mushroom, Echinacea, and more.

Naturally Boost Immunity!

B-IMMUNE

Immunity-Boosting Drink

PRODUCT DETAILS

SUGGESTED USE: Drink 1-2 servings per day. Consume servings at least 3 hours apart.

For best results, drink daily to support healthy immune system function. Increase the dosage when you first begin feeling sick or have been around sick people in order to help relieve symptoms and speed recovery.

DIRECTIONS: Mix one scoop (4 grams) into 8-16 oz of cold water to taste.

CAUTION: Consult your physician before taking this or any health supplement, especially if you are pregnant or nursing, have a medical condition, are taking prescription drugs, or are under age 18.

STORAGE: Store in a cool, dark place to maintain freshness.
