

# ROYAL BLUE TEA™

*Caffeine-Free, Natural Detox Tea*

BUTTERFLY PEA FLOWER ORGANIC HERBAL INFUSION

Feel renewed thanks to this unique, vibrantly colored herbal infusion! B-Epic's Royal Blue Tea™ organic, caffeine-free herbal infusion helps restore and rejuvenate the body and mind. Made from butterfly pea flowers, Royal Blue Tea has an earthy, woody, slightly sweet vegetable flavor similar to green tea. True to its name, when brewed it naturally turns a stunning blue color. When lemon is added, it instantly turns fuchsia.

Blue teas have long been used in the East to impart a variety of health benefits. Rich in antioxidants (even more than green tea), it is imbued with anti-inflammatory properties and immune-boosting benefits. In addition, the powerful antioxidants help slow the aging process making skin and hair look younger and healthier. A natural nootropic, blue teas have been found to enhance cognitive function and overall brain health. They are also known to have a calming effect on the body, which can promote relaxation and help relieve feelings of stress and anxiety.

Regular consumption of this unique tea can help sustain ideal weight long-term. Blue teas have been shown to increase metabolism and fat burning, which in turn causes the body to burn more calories. It also has a gentle cleansing effect, which helps support the body's natural detox process to rid itself of toxins that can cause persistent weight gain and thwart weight loss attempts.

# ROYAL BLUE TEA™

## Natural Detox Tea

### PRODUCT DETAILS

**SUGGESTED USE:** Drink 4-8 ounces of the prepared tea two or three times a day. Tastes great hot, warm, or iced. Can be mixed with sweeteners, lemon, natural flavoring, juice, other tea, or beverage of your choice.

**DIRECTIONS:** 2 tea bags make 1 gallon of prepared tea. Bring a quart of water to a full rolling boil then turn off heat. Place 2 tea bags in the hot water; cover and steep for 4-8 hours (or overnight) to bring herbs to full potency. Pour contents (including tea bags) into a gallon pitcher and fill with water. It's ready to drink and/or refrigerate. Do not microwave the water or tea bags; doing so will destroy the herbs' beneficial properties.

**CAUTION:** Consult your physician before taking this or any health supplement, especially if you are pregnant or nursing, have a medical condition, are taking prescription drugs, or are under the age of 18.

**STORAGE:** Store in a cool, dry place to maintain freshness.
